

FAQs

Blossoms Global School

Where the Future Blossoms

1. What classes does Blossoms Global School offer?

Blossoms Global School offers education from **Play Group to Grade X**, providing a continuous and well-structured learning journey focused on academic excellence, values, and holistic development.

2. What is the school's vision and educational philosophy?

The school aims to nurture confident, responsible, and compassionate learners through a child-centric approach that balances academics, life skills, values, and experiential learning, in alignment with **CBSE** and **NEP 2020**.

3. What is the age criteria for admission?

The age of the child is calculated **as on 31st July of the academic year** in which admission is sought. The required age is **2.5+ years for Play Group, 3+ years for Nursery, 4+ years for LKG, 5+ years for UKG, and 6+ years for Grade I**. For higher grades, one additional year is added for each subsequent class. Admissions not meeting the prescribed age criteria are not considered.

4. What is the admission process?

The admission process includes online or offline registration, submission of required documents, an age-appropriate interaction or assessment (where applicable), and confirmation of admission upon completion of fee formalities.

5. Is there a registration fee?

Yes. A **non-refundable registration fee of ₹1,000** is applicable at the time of registration.

6. When are admission results communicated?

Admission interaction or assessment results are generally communicated to parents **within one working day**.

7. What documents are required at the time of admission?

Documents generally required include the child's birth certificate, Aadhaar card (if applicable), passport-size photographs, previous school report card (where applicable), and Transfer Certificate for Grade I onwards. Any additional requirements are communicated by the school during the admission process.

8. What curriculum does the school follow?

The school follows the **CBSE curriculum**, enriched with experiential learning, competency-based education, project work, and skill development programmes.

9. How are students assessed?

Students are assessed through a balanced system of formative and summative assessments, skill-based evaluations, projects, portfolios, and rubrics to ensure continuous monitoring of academic progress.

10. What special academic programmes are offered?

The school offers **SEEL (Social, Emotional and Ethical Learning)**, **Digital Literacy**, and **Financial Literacy programmes** (Grades III–X), along with remedial support and enrichment opportunities for diverse learners.

11. What is the teacher–student ratio?

The school maintains an average **teacher–student ratio of 25:1**, enabling personalised attention and effective classroom engagement.

12. How is technology integrated into classroom learning?

Classrooms are equipped with smart boards and digital tools to enhance teaching and learning, while students are guided towards safe, responsible, and purposeful use of technology.

13. What languages are offered at the school?

English and Hindi are offered as core languages. As a **third language**, students can choose **one option from Sanskrit, French, or Urdu**, as per grade-level norms and curriculum guidelines.

14. What co-curricular and sports activities are available?

The school offers a wide range of sports, performing arts, music, and visual arts programmes that are integrated into the regular timetable to promote physical fitness, creativity, and teamwork.

15. How does the school ensure student safety and security?

The campus is monitored through CCTV surveillance, controlled entry and exit points, trained staff supervision, and well-defined safety and cyber-security protocols.

16. What support is available for students' mental and emotional well-being?

The school provides counselling services, life-skills education, and structured well-being programmes to support students' emotional, social, and mental health.

17. What is the One Fruit in a Day Programme?

The **One Fruit in a Day Programme** is a health and wellness initiative for **all students from Play Group to Grade X**, under which every student brings one fresh fruit daily to promote healthy eating habits, nutritional awareness, and lifelong wellness practices.

18. How does the school support students with special needs?

Through its dedicated **Children of Determination (CODS) Department**, the school provides personalised interventions, in-class support, counselling, and close collaboration with parents and teachers.

19. How are parents involved in school life?

Parents are valued partners in the educational process. The school promotes strong parent–school collaboration through Monthly Parent Connect sessions, parental engagement programmes, workshops, orientations, PTMs, student-led conferences, and Parents–Students Fiesta celebrations.

20. Can parents meet teachers during school hours?

Parents are requested not to insist on meeting teachers during school hours. Meetings may be scheduled on working Saturdays between **12:30 p.m. and 2:00 p.m.** or on working days with prior appointment.

21. How does the school communicate with parents?

The school communicates with parents through **My Classboard ERP**, official WhatsApp groups, circulars, notices, and regular updates on the school website.

22. Does the school provide transportation facilities?

Yes. The school provides safe and reliable transport facilities on designated routes, with GPS-enabled buses for enhanced student safety.

23. What are the school timings?

School timings vary according to season and grade level. Detailed summer and winter timings are shared with parents through official communication channels and the School Almanac.

24. What is the school's policy on attendance and leave?

Regular attendance is essential for academic continuity and overall development. Leave applications must be submitted through prescribed communication channels. Detailed guidelines are outlined in the School Almanac.

25. What is the school's withdrawal or transfer policy?

Withdrawal or transfer requests must be submitted in writing by parents. Processing of such requests and any applicable refunds are governed by the school's fee and withdrawal policies.

26. How does the school promote reading habits among students?

The school promotes a strong reading culture through its well-stocked library, structured reading activities, and the monthly **Creative Kids Newspaper**, which enhances awareness, vocabulary, and critical thinking.

27. How are medical needs and emergencies handled at school?

The school has a medical room with trained staff. In case of a medical emergency, parents are informed immediately and appropriate action is taken as per school safety protocols.

28. How can parents contact the school?

Parents may contact **Blossoms Global School, Talanagri, Aligarh – 202001**, via phone at **+91 7455042449 / +91 7455001391** or email at **bgstalanagrialigarh@gmail.com**.
