

# School Core Committee (SCC)

## Purpose and Role

The **School Core Committee (SCC)** is the central governing and coordinating body of **Blossoms Global School**. It is responsible for the effective implementation of school policies, smooth day-to-day functioning, and strategic oversight of school operations.

The SCC ensures that all decisions and actions are aligned with the vision, policies, and directives of the **School Managing Committee (SMC)**. It functions as a vital link between school management and operational teams, supporting informed decision-making and consistent school improvement.

## Functions of the SCC

The School Core Committee is responsible for the following key functions:

- Implementing and monitoring academic, administrative, and operational policies.
- Reviewing performance and recommending micro- and macro-level strategies for school improvement.
- Coordinating across departments to ensure smooth functioning and alignment with school goals.
- Acting upon directives, resolutions, and decisions of the School Managing Committee.
- Guiding curriculum implementation, co-scholastic planning, discipline, and student welfare initiatives.
- Managing human resource deployment and contributing to infrastructure planning.
- Maintaining effective communication with staff, students, and parents.
