

School Transport

Blossoms Global School

Where the Future Blossoms

Blossoms Global School provides safe, reliable, and well-monitored transport facilities for students.

1. Availability

- Transport is available on **designated routes** covering key areas of the city.
- Availability is subject to seat capacity and route feasibility.

2. Safety Measures

- All buses are **GPS-enabled** for real-time tracking.
- Each bus is staffed with:
 - A trained driver with valid licence
 - A bus attendant for student supervision
- Vehicles undergo regular maintenance and safety checks.

3. Pick-up and Drop Protocols

- Parents must ensure timely presence at designated pick-up and drop points.
- Changes in pick-up/drop locations are not permitted without prior written approval.

4. Student Conduct in Buses

Students are expected to:

- Remain seated during transit
- Follow safety instructions
- Maintain discipline and respectful behaviour

Any misconduct is reported to school authorities and addressed as per school policy.

5. Communication

- Transport-related updates, delays, or route changes are communicated through **My Classboard ERP** or official school communication channels.

6. Important Notes

- Transport facility is optional.
- Fees are charged as per route and are payable as per school transport policy.
- The school reserves the right to modify or withdraw transport services if required.
